Sipping Saltwater:

How to Find Lasting Satisfaction in a World of Thirst

Former Heart Song counselor and current pastor at Park Communities Church in Chicago, Steve Hoppe, will join us to talk through his soon to be published book, 'Sipping Saltwater: How to Find Lasting Satisfaction in a World of Thirst.' From his five years of counseling in NoVA Steve has a profound insight into the hearts of people who are living in our super fast, power crazed culture. His book addresses the idols the people in our churches most fall prey to and how they often fall back into idolatry even though it is like sipping saltwater. Steve will help us see how best to help the people in our churches as they live out the Christian faith while always being pulled back into their sins.

Please join us at Cherrydale Baptist Church on **Friday, October 27 from 10:00am to 1:00pm**. Lunch will be served during a brief intermission. Pastors, church leadership, staff and ministry leaders (particularly small group leaders) are all welcome to attend. Registration fee is \$15.

Please join us for an awesome training event October 7th!

What the Bible Is All About

Part III, 9/27/17

“A Life of Faith, Hope and Love: The Message of the New Testament”

In the New Testament, the biblical story continues: The first Christians lived in *faith* in what God *had done* in Christ and in *hope* of what God *would do* in Christ. Their assurance and joy came in knowing that they were united with Christ in both his past and future by the work of the Holy Spirit, who is the Spirit of *love*.

I. Faith in what God has done—

the death and resurrection of Jesus Christ

II. Hope in what God will do—

the coming of Christ in glory

III. Living in love between the “already” and the “not yet” —

the present work of the Spirit
